# KNOW YOUR RIGHTS

- It is best to understand Rights in the ***apophatic*** sense; to know which actions are ***NOT*** Rights because they cause ***harm***.
- Natural Law holds true regardless of population.
- When in doubt as to whether an action in is harmony with Natural Law, visualize the scenario of a world with only two people.

# NATURAL LAW TRANSGRESSIONS (Harmful Actions)

- **Murder**
- **Rape**
- **Theft**
- **Trespass**

# APOPHASIS

a.k.a. "Apophatic Inquiry"

from the Greek ἀπόφασις, from ἀποφάναι: *"to say no"*

A method of logical reasoning employed when given a limited set of possibilities in order to arrive at knowledge by way of the exclusion of known negatives.

Describing what something ***is*** by explaining what it ***is <u>not</u>***.

"Once you eliminate the impossible, whatever remains, no matter how improbable, must be the truth." - A.C. Doyle

***"Affirmation Through Negation."***

# FALL OF THE REPUBLIC

"Because choice is subsequent to a judgment upon the truth of the matter presented, is an immutably true principle that human Liberty depends entirely upon judgments which conform to Natural Law. If a judgment which does not conform to Natural Law, which is therefore objectively false and immoral, is acted upon by the will, then it becomes a source of grave disorder in society. Exponentially multiply these numbers of individual immoral acts, and you have a Republic that collapses from moral decay in a short period of time."

- Aquinas, *On Liberty*

| FORCE | VIOLENCE |
| --- | --- |
| The ***capacity*** to do work or cause physical change; energy, strength, active power. | The ***immoral use*** of physical power (force) to coerce, compel or restrain. |
| Voluntary action based in morality and Natural Law | Initiation and use of coercive action which is ***not*** based in morality and Natural Law |
| Action which one ***always*** possesses the Right to take (including defending oneself ***against*** Violence) | Action which one ***never*** possesses the Right to take |
| Does ***not*** violate another's Natural Law Rights | ***Always*** involves the violation of another's Natural Law Rights |
